VISA INTELLIGENCE / VERIFIED TRAVEL ENTRY DATA

Netherlands Visa Checklist — India Passport (Visa Required)

VISA REQUIRED

Tourist - Visa Required

Short stay: up to 90 days within any 180-day period (Schengen short-stay rules).

LAST VERIFIED
21 Nov 2026

REQUIRED DOCUMENTS / VISA CHECKLIST

1. Apply for a Schengen short-stay visa (up to 90 days) at the consulate/embassy (or authorised visa application centre) of the country you are visiting (Netherlands) before you travel.
2. Carry a valid passport: it must have been issued within the last 10 years and be valid for at least 3 months after the date you intend to leave the EU.
3. Be prepared to show justification for the purpose and specifics of your stay (e.g. proof of lodging, invitation letter where applicable) and supporting travel documents such as a return or round-trip ticket.
4. Be prepared to prove you have sufficient financial means for the duration of your stay if requested by border officials.
5. Children/minors must have their own passport and, if required, their own visa.
6. Once arriving at the external Schengen border your personal data will be recorded in the Entry/Exit System (EES): passport details, facial image and fingerprints will be collected and entry/exit dates and locations logged.
7. You may pre-register your data within 72 hours prior to entry using the ‘Travel to Europe’ mobile app to speed up border checks.
8. A Schengen visa issued by one Schengen country (e.g. Netherlands) generally allows travel to the other Schengen countries.

Passport validity
Passport must have been issued within the last 10 years and must be valid for at least 3 months after the date you intend to leave the EU.

Financial proof
Must be able to demonstrate sufficient financial means for the duration of the stay if requested by border officials.

Travel / stay proof
Proof of lodging, invitation letter (if applicable), return or round-trip ticket (may be requested at border checks or when applying for visa).

For minors
Children and minors must have their own passport and visa if required.

Processing / application note
Entry/Exit System (EES) fully operational since 10 April 2026 and will record biometric data at external Schengen borders. ETIAS is scheduled to start in Q4 2026; Indian nationals who require a visa do not need an ETIAS authorisation.

Disclaimer: Visa and entry requirements can change. Final admission, visa issuance and immigration decisions remain subject to the relevant government, embassy, consulate or immigration authority. Check the official source again before travel.

Additional notes

ETIAS is required only for visa-exempt travellers; carriers will check ETIAS for visa-free nationals when it is operational. If you need a visa (as an Indian national) you do not need ETIAS but must obtain the appropriate Schengen visa before travel.
