No separate passport-photo specification found on the official tourist-visa pages; Home Affairs asks that documents be scanned/photographed in colour and be clear/legible.

Financial proof

Must show you have enough money or access to funds to support yourself (evidence such as recent bank statements and/or documents showing ties/return plans).

Disclaimer: Visa and entry requirements can change. Final admission, visa issuance and immigration decisions remain subject to the relevant government, embassy, consulate or immigration authority. Check the official source again before travel.
