Photo requirements

Financial proof
Document proving sufficient financial means (e.g., bank statement) — to be uploaded with application and available to present at border if requested.

Travel and health/accident insurance covering the whole period of stay; must be able to present insurance at the border or entry may be denied.

Travel / stay proof
Round-trip flight ticket/reservation and proof of accommodation (hotel reservation) required to upload.

Processing / application note
e-Visa application has two mandatory steps: 1) complete the online e-Visa application and pay the consular fee; 2) complete the DuVerify verification within 24 hours (additional USD 15 fee). The e-Visa grants the same right to enter Georgia as a sticker visa. e-Visa portal is for short-stay visits (<90 days) and the applicant must not be on Georgian territory when applying.

Additional notes
The source explicitly lists India among selectable citizenships for e-Visa applicants. The embassy and e-Visa portal require scanned copies of documents for the online application but state you must be able to present originals at the border. The consular fee amount is not specified on the provided pages; only the DuVerify fee (15 USD) is named.
