Travel / stay proof

Roundtrip flight reservation showing departure and return dates; itinerary and intra-Schengen transport proof if visiting multiple Schengen states.

For minors

Application signed by parent/guardian. If travelling with one parent, consent from the other parent/guardian required unless sole custody applies; if travelling alone, consent from both parents/guardians required. Birth certificate required with Hague Apostille for Indian nationals.

Processing / application note

Apply at least one month before travel. India-based applicants must book a VFS appointment, pay the VFS fee online, and submit biometrics (fingerprints + photo) in person. A booked flight does not speed up processing.

Additional notes

India is listed in EU Annex I — Indian nationals require a Schengen short-stay visa for tourist travel to Portugal. No official Portuguese source indicated visa-on-arrival or a tourist eVisa for Indian passport holders. No separate Portugal arrival tourist form was found in the cited official sources.
