Typical visa processing time: 3–5 working days (excluding date of submission, weekends and public holidays); some applications may take longer. Visa processing fee is non-refundable. If approved, travellers will receive an e-Pass notification by email (no passport endorsement). Possession of a visa does not guarantee entry; final admission and length of stay are decided by ICA officers at the checkpoint.

Additional notes

Indian nationals require an entry visa for social/business visits. India nationals in transit may be eligible for a 96-hour Visa Free Transit Facility (VFTF) if they hold a valid visa/long-term pass (with at least 1 month validity from date of entry) issued by certain countries (Australia, Canada, Germany, Japan, New Zealand, Switzerland, United Kingdom, United States) — conditions apply. Visa applicants are not required to purchase flight tickets before applying (purchasing is at applicant's risk). For detailed and up-to-date procedures, applicants should consult ICA or the High Commission (New Delhi) and use authorised visa agents as listed by the mission.
